

"BUY A BRICK" CAMPAIGN

The LATCH "Buy a Brick" campaign continues to go from strength to strength to raise funds to maintain the parents' accommodation. Each "brick" costs £10.00 and will be engraved with a name of your choice. The "bricks" appear in this uniquely commissioned artwork which is displayed at the entrance to the parents' accommodation in the Children's Hospital for Wales.

Parents frequently refer to their experience of having a child on treatment as "like being on a roller coaster". Our Artist, Kate Derbyshire, has captured this image and created a spectacular mosaic and tile art display. The mirrored tiles around the top of the display and the blue tiles underneath are engraved with the names. There are still some spaces available and if you would like to buy a brick and support our campaign, please complete and return the pro-forma below.

I would like to buy a brick(s) in the following name(s) at a cost of £10.00 each.
